Prayer Corner

We thank you, Father,
for all the animals of the earth.

We ask that you will guide us as we watch over them,
protect them, and help them to thrive.
We thank you, father

For all the plants of the earth
We ask that you teach us to care for them, to preserve
them and use them carefully.

We thank you father
For the fresh water we benefit from, help us to take
care for our rivers and repair the damage we have
done.

All these things we ask of you loving God, giver of all
things.

Amen.
