

Year 4 Cornet Concert

Thank you to all the parents who were able to attend our 'cornet concert' on Thursday morning. The children thoroughly enjoyed entertaining and showing-off their musical talents and skills to you. These, they have learnt via the Wider Opportunities project this year. We were very impressed with their confidence in performing to an audience and with the progress they have made.

Summer Music Concert

Congratulations to our young musicians who performed at our second Music Concert on Thursday. It was lovely to see the progress that has been made since last term and to welcome more musicians and singers to the group. We hope that these performance opportunities will help the children grow in confidence and will inspire others to take up an instrument. Playing music is a fantastic way of developing creativity, coordination and collaboration ...and of course it is great fun. Thank you children for the entertainment and for all the hard work you have put in practising for this event, well done!

Crazy Hair Day

Wow, we have certainly had some super crazy hair today in school. Thank you to everyone who took part to raise funds for the PTFA. Here are a few of our pupils and their crazy hair...

Year 6 St Mary's Science Festival

Prayer Corner

Creator God,
You show us what love is through the beauty of the earth
Thank you for the gift of life
Grant us a spirit of awe and wonder as we observe the marvels of your creation and give us a deep respect for all life.
Give us the courage to commit fully to caring for our earthly home and for all the created beings we share it with.
Teach us to live more simply, to protect the earth and to speak up for those in need.
Amen.

Sunflower Competition

Don't forget to send pictures of your sunflowers if you took part in the competition at the Easter Fete!
