

Merry Christmas

Thank you so much for your support and feedback throughout the last term, your attendance at school events, meetings, drop in visits, information sessions is so valuable and helps ensure we are working together to do the very best we can for the children. It was lovely to catch up with so many of you at our December events; watching our children present the Nativity and the KS2 Carol Service has certainly helped bring the Christmas spirit to Mordiford.

We hope you have a really special, peaceful and joyful Christmas with your families and friends, we look forward to seeing you back at school on **Tuesday 9th January**. Happy Christmas everyone!

Merry
Christmas
AND
HAPPY NEW YEAR

KS2 Carol Service

Thank you to our KS2 children for leading our Carol Service this week, you reminded us of the true meaning of Christmas.

Christmas Blessing

May you have the joy of the angels;
May you have the mother Mary's love;
May you have the meekness of shepherds;
perseverance of kings and the light of stars
above.

May you have the wisdom of the prophets;
May you have the father Joseph's trust;
May you know the peace of the Christ Child
and the hope for the world that is found in
his love.
