

Waterworks Museum Trip

Teme Class had a superb trip on Tuesday, visiting the Waterworks Museum.

They were thoroughly entertained and engaged by Ruth from Dwr Cymru Welsh Water. First, the children recapped on their science learning of the water cycle, learnt about filtration systems to make the water clean and worked as engineers to design a town with piping from the reservoirs, with cost implications!

Later, one of the highlights of the day was pond dipping where the children found creatures to identify using a microscope. They ended the day with a trip to the gift shop!

Neighbourhood Development Plan

Just a reminder that all the details about the Neighbourhood Development plan can be found on the website or there is a copy available in the School entrance. Please take time to consider the proposals and give your feedback on **to the NDP group** (clerk@dormingtonmordifordgroup-pc.gov.uk). Feedback forms can be found on the website. You are also invited to a **Drop In event from 6.30 - 8 pm on Tuesday March 5th 2024 at Mordiford Primary School** to share your views and ask questions to the group.

Courtyard Workshops

On Tuesday Wye class took part in a very enjoyable and informative workshop called “talk away, don’t walk away” which is a mental health awareness project for young people in Herefordshire.

The children took part in a range of drama activities exploring themes around staying physically and mentally healthy. The workshops will culminate in a performance at The Courtyard during the summer term.

School reports

Your child’s interim school reports should be in their bags tonight—please look out for them.

Norovirus

We have had several norovirus cases throughout school recently.

Please help to stop the spread by:

- washing your hands thoroughly using soap and warm water after using the toilet or having contact with a sick individual and before preparing and eating food.
- Keep your child off school until they have not been sick or had diarrhoea for 48 hours.
- Do not rely on alcohol gels instead of washing your hands, as these do not kill the virus
- washing any contaminated clothing or bedding using detergent at 60°C
- use bleach-based cleaners to disinfect surfaces.

Dates for your Diary

| Date | Time | Event |
|-----------------------------|--------------------|--|
| Mon 26th Feb | 16:00 & 19:00 | Y4 Moving Targets Performances Courtyard |
| Mon 4th- 8th March | all week | Book week (UN World Wildlife day 3rd) |

Thank You

Thank you to Gary Shaw for fixing our drain in the half term so it is no longer a trip hazard and for filling the potholes in the car park, we really appreciate your help!

Prayer Corner

Dear God,

We thank you that you have made us stronger than we think.

We thank you that we are able to do and achieve far more than we think, because you have made us in your image.

Thank you that you have promised us your help and wisdom and strength, whenever we need it.

Amen
