

Moving Targets

What a fabulous 'Moving Targets' show at the Courtyard on Monday evening!

Well done to the Year 4 team, thank you for all your hard work – the children did a brilliant, confident performance. Their dance was original and inclusive and really stood out as a creative piece of work when compared to the other schools. They were totally awesome!

Thanks to Ms Jones for teaching and guiding the children; helping them put the dance together, whilst ensuring that it really was the children's work. The dance linked in with their science project of changing states of matter and creatively showed the children's ideas about how solids turn to liquids and then to gas. Thanks to Ms Glover and Miss Groves for going the extra mile and supporting the children, looking after them and making sure they were confident about their performance. It was a fabulous team effort and Year 4 did us proud!

Neighbourhood Development Plan

As you know we have plans to build a new hall and permanent classes for Y5 and Y6. **We now need your help please!**

In order for us to get support for our building project and funding, we need the community to get behind the **Neighbourhood Development Plan (NDP)** which includes the **Community Hall** as one of its objectives.

We urge all parents to please to **support the NDP by completing this [questionnaire](#)**. If you can, please also come to the Drop in Event from 6.30 - 8 pm on **Tuesday March 5th 2024 at Mordiford Primary School** to share your views about the Neighbourhood Development Plan. All the details about the NDP can be found on the website or there is a copy available in the School entrance.

Sports Tournaments

Well done to the children who participated in the netball tournament last Friday and the tag rugby tournament on Tuesday.

The children showed great determination and sportsmanship.

Prayer Corner

Dear loving God,

We thank you for your love and your promise to always be by our side,

Thank you for our amazing teachers who have given their time to teach and care for us,
When we are tired you give us the strength to continue,

When feeling down you give us hope,
Thank you for protecting us when we are in danger,
Bless those who love and care for each other,
So we can live a long and happy life,
Amen

Prayer written by Lois and Oona from the worship crew who will be leading prayers next week.
