

Wye Class Camp Over

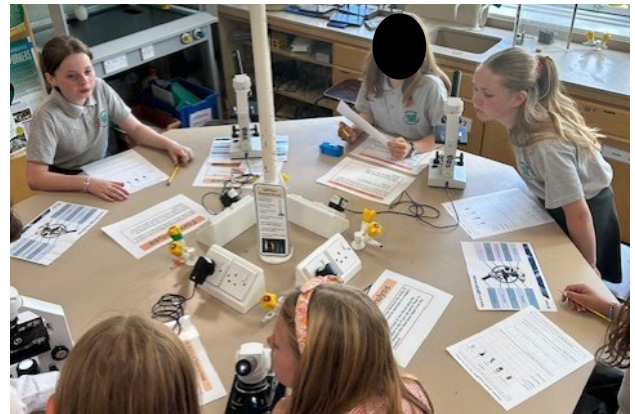

Children from Wye class enjoyed an action-packed camp over in our Dragon's Den last night. Mr Sibcy planned a whole day of outdoor learning for them, they have been up to the forest, made a 3-legged stool each and experimented with firing balls from a mega catapult. We played rounders and football and sang and shared stories around the campfire. The children enjoyed a BBQ and marshmallow s'mores. It was a pleasure to spend time with this group; they played well, helped each other and demonstrated our values of **love, compassion & respect** throughout. A huge thank you to Mr Sibcy who masterminded the event and to Mrs Farmer who joined us for the sleepover. Luckily, there was some sleeping during the night...although football started at 6am! They will sleep well this weekend... well done Wye class, what lovely children you are!

St Marys Science Festival

On Tuesday, Year 6 visited St Mary's Science Festival. Throughout the day, the children took part in various workshops. They watched a science magic show, were introduced to some reptiles and even had a chance to hold some of them. They also went inside the star dome where they learnt about our solar system. Thank you to St Mary's for hosting the event.

Sports Day

The children have been busy this morning doing sports carousel activities. Look out for more pictures on next week's newsletter. We hope to see you later from 1pm for the track events.

Prayer Corner

Dear Lord,

We ask you to hold our school in your hands as we near the end of term.

We reflect on the moments of which we are most proud and that we would like to build upon next year.

We also focus on the things that we wish we had done differently and hope to learn from these experiences.

Amen
