

Welcome back!

What a delightful start to the term, it's lovely to see everyone back together again. Our new children are doing really well with the older ones looking after them at breaktimes. The school values of **Love, compassion & respect**, are in evidence on the playground already!

These first few days are all about settling into classes, establishing routines and catching up with each other. Parents you are invited in next week for the 'meet the teacher' sessions, we hope to see you there. If you have not received my email about these sessions, please call the office.

We love to draw on the skills and experience of parents when we can. If you would like to come in and listen to children read, please contact your child's class teacher. We are also looking for volunteers to help with forest school on Thursday afternoons. If you are interested please contact the school office. We often need help with jobs around the school (for example we will want to do some landscaping with the new space provided by the old path) if you have a skill or business and would like to be asked to volunteer or quote for jobs, please let the office know.

Our lovely PTFA have organised some brilliant events for us all and they are always looking for volunteers to join the team, please make this the year that you reach out and make contact with them, our PTFA will only continue to function with your support. They are a fabulous and friendly team who will make themselves known to you at our forthcoming events, please lend them your support!

At Mordiford we really do 'Treasure each individual'; we look forward to an exciting year ahead when we can continue to build our school community and provide the very best educational experiences for all.
