

## Parent Information Session

After Parent drop in sessions, there will be **Parent Information Sessions**, at which, I will be sharing: end of Year data 2024, feedback from the parent survey and our plans for the coming year with you. There will be tips about things you can help us with at home and an opportunity for you to ask questions. I hope to see you there!

## Parent Survey—Last Call

Each year, we have had fewer responses to our parent survey.

Year	No of children	No of parent responses	%
2021	151	61	40%
2024	167	46	27%

Many parents will be thinking that they filled it out last year so why do it again but we really value your responses each year to ensure we are maintaining our high standards in your opinion. We compare year on year data and I will be sharing it with you at Parent Information Sessions next week. So if you could spare 5 minutes to complete the survey we'd really appreciate it!
