

## International Day

One of the 'Golden threads' that runs through our curriculum is 'Global Perspectives', we want our children to be 'outward looking' and to begin to understand different perspectives and different cultural rituals people bring to our communities. International Day gives our children an opportunity to rotate around different classes and to open up discussions about other countries, cultures and traditions. Please do ask your children what they have remembered from today!

This afternoon it has been fantastic to see so many of our parents celebrating their cultural roots with us, thank you to all our volunteers. Thank you to our staff for sharing their love of exploration and travel with us! What a lovely atmosphere we have had in school today. Happy International Day!

## Your School Needs YOU!

On **Saturday 8<sup>th</sup> March** from 10am- 3pm  
**Come to a FAMILY GARDENING & ODD JOBS event**

We will be planting a hedge around the field boundary with volunteers from the parish council, working with Hellens Garden Festival volunteers to improve our veggie patch and trying to tackle some other jobs to improve our school grounds.

## Year 2 Farm Trip

Year 2 had a fantastic morning at Balingham Court Farm, learning about the various habitats present on the farm. They particularly enjoyed worm charming and the trailer ride. This complemented the work they have been doing in science this half term.
