Chitty Chitty Bang Bang

Our KS2 children were enthralled watching 'Chitty Chitty Bang Bang' at the Birmingham Hippodrome on Wednesday. They loved the singing and the dancing but the highlight of the show was of course the amazing flying car!

Young Voices

Our KS2 choir had an amazing experience on Friday, being part of the largest choir in the world....the Young Voices Choir. They performed with around 6,000 other children singing uplifting songs and grooving to some popular beats. Mrs Amos, Mrs Parker and Mrs Warmington have been helping the children learn the lyrics to 14 songs and medleys since September and we were all super impressed with how brilliantly the children did remembering the words and dance moves, it meant that they were able to make the very most of the experience at the BP Pulse Centre in Birmingham. The children were a pleasure to be with, despite it being a very long day and a late night, their behaviour was impeccable and there was a great sense of teamwork and togetherness. Thank you staff and thank you Mrs Martens for helping out on the day.

It was certainly an experience to remember!

World Book Day

Our Year 5s led a World Book day themed assembly on Thursday. Introducing some well known characters from children's fiction, they showed us why reading is important both for enjoyment and success! We are very proud of how they learnt their lines and presented with increasing confidence.

Year 5 continued world book day by enjoying some reading at the forest school site.

Year 1 Farm Trip

Year 1 had a fantastic morning at Ballingham Court Farm. They saw lots of cows including a Herefordshire bull and they also got to meet a calf which was only 12 hours old. They learnt all about the different types of worms, met a mole and had had a lovely trailer ride.

The Underwear Rule

Keeping children safe is central to all we do at Mordiford. Part of our PHSE program introduces conversations about privacy and personal space. This week we have been revisiting the underwear rule 'Pants are Private'. There are some useful resources for parents which can be found here : [link](#) so you can reinforce the message at home too.
