Bratislava 2025

What an amazing experience 10 of our brave Y5 and Y6 children have had...it is difficult to encapsulate our International Trip to Bratislava in one paragraph but what stands out is the personal qualities shown by our students : enthusiasm, friendship, independence, teamwork, kindness and amazing resilience, we are super proud of them. Oli thinks we have learned a lot of different ideas about how we could do things differently in our school. Lydia said the trip had been 'life changing'. I hope they have created memories that will last a lifetime.

It was truly heart-warming and humbling to see the kindness and generosity of the host families and host school, who went out of their way to give our students an amazing experience. Cultural exchanges are such an important way for our children to open their minds and understand different perspectives and ways of life. A huge thank you to Mrs Parker and Mrs Marriott-Smith who came with us on the trip.
