

## PGL

Last week, our Year 6 class spent an incredible week at PGL Liddington. They showed fantastic teamwork and enthusiasm throughout, with every child willing to push themselves out of their comfort zone and give the activities a go. Most importantly, they made the most of the experience - and even managed to get some sleep! It was brilliant to see them supporting one another and embracing the adventure together. Huge thanks to Mr Fair and Miss Harris for giving up their time to support them.

## Outdoor Event

A group of our Year 5s were invited to Longtown Activity Centre to take part in a range of outdoor problem solving and team building activities. It was great to see the teamwork developing as the day went on. We are proud of how the children began to listen to each other's ideas to agree ways to achieve some tricky physical tasks. They supported each other brilliantly too!

## Talent Show and Bake Sale

On Thursday 26th March, the school council will be hosting a **Talent Show and Bake Sale** to raise money for **Project Mala**. We have added a £2 item to the school shop on Arbor as a suggested donation for Project Mala.

**We would greatly appreciate as many cake donations as possible** for the bake sale—these can be brought to the office on Thursday 26th.

Project Mala supports children in remote villages of eastern Uttar Pradesh, giving them opportunities to go to school instead of work. The child we are sponsoring is Nitin Singh, who is 12 years old and studying at Guria Middle School.
