

## Introducing Our PTFA...

They have lots of exciting events planned to support our school, and we're excited to share details of one of their upcoming events — Music Bingo!

It promises to be a fun-filled evening, so don't miss out. Tickets are now on sale — see the poster for full details.

## Chicken Pox

We have been informed that a number of children have developed chicken pox over the last few days. Please remain vigilant for symptoms and keep children at home if they develop chickenpox until all spots have crusted over. Thank you for your support.

## Year 4 Manor Adventure

Year 4 have had an incredible few days at Manor Adventure, throwing themselves into every challenge with enthusiasm, resilience and huge smiles — even in very wet and muddy conditions!

Across the trip, the children took part in a wide range of activities including climbing, bouldering, abseiling, zip lining, axe throwing, low ropes, obstacle courses and the underground maze. They showed fantastic determination, teamwork and encouragement, with many children facing and overcoming their fears while cheering each other on.

It has been a busy, exciting and memorable experience, and we are extremely proud of Year 4 for their positive attitudes and brilliant behaviour throughout the residential.

## Dates for your Diary

Date	Time	Event
Monday 26th January		Y5 Shakespeare Rehearsal and Performance at Courtyard
Thursday 12th February	9:00-9:30	Y6 Class Assembly
Thursday 12th February	11:00-12:00	Height and Weight Check for YR and Y6
Monday 16th— Friday 20th February		Half Term
Friday 27th February		Year 3 Trip to Caerleon Roman Legion Museum
Monday 23rd February		Y4 Moving Targets Rehearsal and Performance at Courtyard
Wed 11th March		Reception Vision Screening
Fri day 27th March		Last Day of Term

### Year 1 Engineers Build Brilliant Windmills!

This week, our Year 1 children amazed us with their fantastic Design Technology project — building their very own windmills! Working with their “building buddies,” the pupils carefully planned and created their designs step by step.

First, they focused on building a stable base for their windmill structures. Next, they chose the perfect type of blades to attach, thinking carefully about what would help them spin best. Finally, they connected the axle and slipped it into a straw so the blades could rotate freely.

The children showed excellent focus and teamwork throughout, and their hard work truly paid off — when tested, every single windmill spun beautifully!

Well done, Year 1 — you’ve really blown us away with your creativity and engineering skills!

**MUSIC BINGO**

**FRIDAY 8<sup>TH</sup> MAY**

**Holme Lacy Village Hall**

**WELCOME DRINK | HOG ROAST  
MUSIC BINGO | RAFFLE | DISCO  
& PAID BAR.**

**Arrive 7pm | Eyes down at 7.30pm**

**£27.50**

**Limited tickets available**

**Book online:**

### Prayer Corner

Dear Heavenly Father,  
 Thank You for our beautiful world, full of colour, life, and diversity. Help us to appreciate every living creature, from the smallest insect to the largest animal. May we celebrate the diversity in plants, animals, and people, and remember that with diversity comes strength, richness, and wonder.  
 Amen
