## Car Parking & end of day pick-up

### Friendly reminder:

Please do not arrive at school before 3pm.

We will endeavour to get the children out of school promptly.

### To improve the flow of traffic :

Please do not park on the road opposite the car park as this hinders the flow of traffic turning right out of the gate.

Unless you have pulled into a parking bay by the hedge, please stay in your car and staff will bring the children to you.

On Fridays (whilst the ground is firm), we will open the gate to give the option of parking on the field, to help keep cars off the road.

### School Lunches—Census Day

Thursday 1st October is our school census day. This is a very important date, as the number of KS1 school meals ordered on this day directly impacts the level of funding we receive for Universal Free School Meals for the whole academic year.

We would be extremely grateful if you could order a school meal for your child on this day. By doing so, you will be helping to secure the best possible funding for our school.

### Prayer Corner

Lord

Please open my eyes  
Please let me see those around me that are in need of my compassion.  
Compel me to listen to them, to hear their needs.  
Give me the heart to be interested in their troubles and give me the ability to help them.  
Help me be a gentle force of compassion & kindness!

Amen
