

## Y5 Shakespear Performance

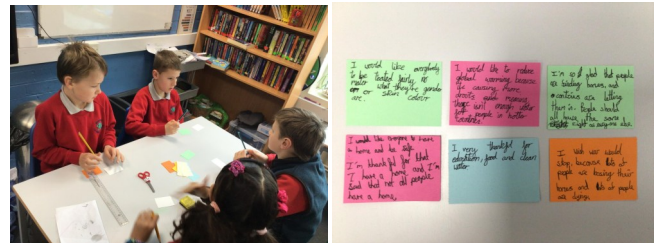

We were immensely proud of the year 5s for their fantastic performance of Much Ado About Nothing on the mainstage at The Courtyard on Monday. They had learnt their difficult Shakespearean lines to perfection, and showed their understanding of this complicated story, by delivering them clearly and with expert expression. What a talented class we have! We certainly have some future thespians in our midst! Proud teacher!

## Prayer Beads Workshop

Today, Years 4, 5 and 6 took part in a Prayer Beads Workshop with the Herefordshire Prayer Beads Project.

During the workshop, the children wrote prayers or personal reflections on small slips of paper, which were then carefully folded into origami shapes. These will be joined together to create prayer beads, finished with tassels and displayed publicly as a reminder of the power of shared prayer and reflection, offering hope and encouraging compassion for those affected by conflict.

### British National Birdwatch

Our Nursery and Reception children took part in the British National Birdwatch this week in our outdoor learning area. They did '10 minute shifts' to count and identify the birds they saw and then recorded their results. The Nursery children had made bird feeders, which attracted a range of native birds into our outdoor space. The Reception children were very enthusiastic and have continued to notice the birds during outdoor play, even bringing in food for them. It has been lovely to see their interest in nature and caring for wildlife. A huge thanks to our Nursery practitioner Sian, who led the activity.

### Prayer

We thank you, God, for making us who we are. For helping us to grow, by providing many opportunities for development as we move through life. We trust that you have a plan for every one of us and will provide us with all that is needed to be the best that we can be. We know that life is not always easy but recognise that challenges help us to learn and develop strength of spirit. Amen.
