

## Car Park

Over the past week, we have received several complaints regarding parents getting out of their vehicles and blocking the flow of traffic.

It is important for us to maintain the flow of traffic through the car park so we minimise congestion on the road outside the school.

**If you wish to get out of your car OR if you arrive before 3:15 please can you park at the top of the car park (turning left as you come in) OR in one of the parking bays facing the hedge, so we minimise the number of cars having to queue on the road.**

**If you are in the centre lane or in the pull-in spaces closest to the field, please do not leave your car unattended.**

Please be reassured that parking in a designated bays will not significantly increase the amount of time you spend on school grounds because other drivers always let you pull out.

Thank you for your cooperation and understanding in helping us keep our school community safe and traffic flowing smoothly.

## Football Tournament

Well done to our team who took part in the County North mixed qualifier on Thursday. They demonstrated excellent sportsmanship and teamwork and had a fantastic time.
